GET READY FOR YOUR FIRST
DAY AT NIC WITH THESE 5 VISITS
TO YOUR HIGH SCHOOL!

NOVEMBER

Apply to North Idaho College during College App Week

During the week of November 6th through the 10th, high school seniors from across the state will apply for college. Make NIC your college of choice and apply for free!

DECEMBER

Enrollment Overview

Learn about your next steps in the enrollment process including how to log on to your MyNIC account and Cardinal e-mail, and what items you'll need to provide to be admitted to NIC.

JANUARY

Start Scholarship App & Finish Financial Aid App

NIC gives out \$800,000+ in scholarships annually. Get help with your scholarship application & work with a Financial Aid representative to help with your FAFSA application to fund your education.

FEBRUARY

Take your NIC Assessments

To ensure that you are placed in the courses and programs that are right for you, we ask that you take assessments to determine what math and English class you register for. Taking the right class means maintaining a high GPA and saving time & money.

APRIL/MAY

Meet with an Adviser & Sign up for Your College Classes

Now that you have completed your financial aid & scholarship applications, and your assessments have told you what math and English classes will suit you best, it's time to meet with your adviser and sign up for classes! Have your college schedule before you even leave high school.

Program Overview

Benefits & Drawbacks

Cons

- Students miss on campus engagement
- Too Easy
- Too much information may scare students away
- Students miss class time
- Lots of administrative work

Pros

- Students are more aware of the enrollment process
- Students are empowered to understand their academic standing
- Students who wouldn't otherwise engage are a captive audience
- Building strong relationships between students and NIC personnel
- Even if students choose not to go to college, they know how to navigate it later.
